🎯 PROFESSIONAL SUMMARY

Customer-focused professional with 7+ years of experience in customer service, operations, and account coordination, now transitioning into Customer Success. Skilled in client onboarding, retention, CRM and operational data management (SAP Business One, COSEC), and proactive problem-solving within high-volume, high-touch environments. Certified in MySQL/SQL, Excel & Google Sheets data analysis, and Microsoft Power BI, with a consistent record of maintaining accurate records, resolving customer issues, and building lasting client relationships. Remote-ready with strong written and verbal communication (47 WPM, 91% accuracy) and daily use of Zoom, Slack, and Microsoft Teams.

 PROFESSIONAL EXPERIENCE

Assistant Restaurant Manager | Nando's Qatar 2024 – 2026

- **Customer Relationship & Service Recovery:** Acted as primary point of contact for customer inquiries and complaints in a high-volume environment, resolving issues via phone and email to protect satisfaction and retention.
- **Data Accuracy & Reporting:** Owned the full customer data lifecycle — entry, validation, and clean-up — using Excel and Google Sheets (VLOOKUP, IF, SUM, COUNT, AVERAGE), reducing duplicate and incomplete records.
- **Account Tracking:** Built and maintained real-time feedback logs and follow-up trackers in shared spreadsheets, ensuring timely resolution and consistent team-wide visibility into customer cases.
- **Operations Coordination:** Coordinated supplier orders and inventory tracking using SAP Business One, keeping day-to-day operations and fulfillment on schedule.
- **Team Leadership:** Managed daily staff scheduling and cross-functional coordination to maintain smooth, customer-ready operations.

Restaurant Supervisor | Nando's Qatar 2019 – 2024

- **Operational Accuracy:** Supervised shift operations and staffing using COSEC, maintaining accurate attendance, staffing records, and daily reports.
- **Data Analysis:** Built and analyzed pivot tables in Google Sheets from CRM data exports to track performance trends and inform decisions.
- **Customer Case Management:** Delivered consistent, positive customer experiences through clear communication and proactive problem-solving, managing multiple customer cases simultaneously.

Supervisor | JBS Corner, South Africa 2017 – 2019

- **Operations & Documentation:** Oversaw daily operations, staff coordination, and vendor ordering while maintaining accurate sales and operational documentation.
- **Foundational Customer Focus:** Supported data entry, reporting, and customer interaction documentation — building the detail-driven, customer-first approach carried into later roles.

 KEY ACHIEVEMENTS

- Led daily operations as Assistant Restaurant Manager in a high-volume, multicultural environment at Nando's Qatar.
- Supervised and coordinated multicultural shift teams across 7+ years, maintaining accurate staffing and attendance records.
- Improved customer satisfaction through proactive complaint handling and service recovery on inbound calls and email.
- Maintained accurate operational and customer data across multiple systems (SAP Business One, COSEC, Google Sheets, Excel).
- Applied CRM, data analysis, and reporting skills (SQL, Power BI, Excel, HubSpot) learned through continued professional development directly to daily operations.
